## LIFECOMFORT MATTRESS COVERS UPGRADES!

We are pleased to announce some important upgrades to our LIFECOMFORT Foam Mattress covers. All LIFECOMFORT® Foam Mattresses are now fitted with superior hospital-grade polyurethane coated covers designed to better withstand rigorous use and cleaning in the Home Care, Aged Care and Acute Care environments.

### IMPROVED FEATURES

- o **ALL LIFECOMFORT® Foam Mattresses** will now offer superior covers that include:
  - o Hospital-grade polyurethane covers suitable for bleach concentrations up to 10,000ppm
  - o Welded waterfall covers for improved infection control
  - o Carry handles for safe manual handling of mattresses
  - o Four-sided zippers for easy removal, cleaning and refitting of covers
  - o Asset management labels for facility equipment management
  - o Rotational turning graphics to assist mattress rotation policies
